

Ecological fast-acting surface detergent

Area of application

GLASSFEE ECO is suitable for rapid, streak-free cleaning of glass, mirrors and all shiny, waterproof surfaces.

Application

Spray onto the cleaning cloth or surface and wipe. Wipe off if needed. The correct dosage reduces costs and helps the environment.

Product characteristics

- Certified with the European Union Ecolabel (EU Ecolabel) and the Cradle to Cradle Gold Certificate
- Proven reduction in CO₂ emissions through the use of GLASSFEE ECO in a recycled container
- Residue-free, fast-acting detergent for waterproof surfaces
- Dries quickly and streak-free, reduces re-soiling
- Fragrance-free

Note

This product is intended for commercial use. Do not inhale spray mist. The spray head is guarantee to work for up to 5,000 pumps when used as intended (1 pump = max. 2.5 ml). In order to minimise plastic use and reduce CO₂ emissions, we recommend refilling the 1-litre container using the 10-litre container and an outlet tap
