

Kiehl-Parketto-clean Concentrate

Cleaner for wooden floors and laminate

Features

Soap-free and wax-free parquet and laminate floor cleaner with excellent cleaning properties and high dirt absorption. Preserves the material. It is slightly fragranced and not subject to ADR. Thanks to the eco-friendly formulation, Kiehl-Parketto-clean Concentrate has received the European Union Eco-Label.

Ingredients (according to 648/2004/EC)

Nonionic surfactants 5 - 15 %, water-soluble solvents, dyes, fragrances.
pH value (concentrate): approx. 9.0 pH value (ready-to-use solution): approx. 8.5

Application

Suitable for all wooden surfaces, such as sealed, coated, impregnated, oiled, waxed or untreated wooden floors as well as for pre-finished parquet and laminate floors. Also suitable for use on all water-resistant surfaces, objects and floor coverings as well as on coated floors.

Directions

1 dosing unit (dosing cap) = 25 ml

Routine cleaning (damp mopping):

1 dosing unit in 8 litres of cold water.
Immerse mop in cleaning solution and wring out well.
Avoid standing water!
For stubborn dirt, wipe again, if required.
For light and medium soiling a half dose is sufficient.

**Maintenance
and cleaning
of wood /
parquet**

Note

Keep away from children! Proper dosage saves costs and minimises environmental impacts. As this product is highly concentrated, only a low quantity of product is needed compared to conventional (not concentrated) products. For more information visit the EU eco-label web-site www.ecolabel.eu. The surfactants are based on natural raw materials. The packaging material can be recycled.

Coverage per square metre

Damp mopping: 0.05-0.1 ml

Packaging

Carton of 6 x 1 litre dosing bottles

Art. No. j 22 18 02
